## Product Description

Natural submerged agarwood silk pieces and scraps, incense, boiled water, wine and tea sachets

It is instantly felt on the tip of the nose, with a sweet nectar fragrance at room temperature.

When you hit it, the unique sweet and soft feeling makes people feel very warm. Through the beads is the process of awakening one's nature. After the erosion of the years, the world has become dull.

The agarwood grown in Yuzhuang submerged in water and cut into shredded pieces. Because about 5% of the shredded pieces are not submerged in water, they can be smoked and boiled in water. Brewed in wine, sachet material, rich in nectar and sweet aroma.
