## Product Description

High end submerged Vietnamese Ziqinan agarwood bracelet natural chess Nan small bead jade multi loop 5m bracelet for women with two loops

### Oil is as soft and sticky as cream

Qi Nan's oil is very rich and full of creamy oil that is about to come out. The combination of oil and wood is sufficient for the accumulation of oil, which is soft, sticky, and resilient. There is a noticeable sticky feeling when using it

**Rich fragrance and unforgettable aroma**

The head, middle, and tail fragrances of Qinan agarwood all have distinct and clean filamentous orchid sweetness when first smelled, instantly conquering the sensation and accompanied by a faint coolness when smelled again. The color background produces a rich milky aroma, while the tail fragrance is rich and creamy, Clear hierarchy, silky entry into the nose, and strong persistence of aroma in the air

EAGLEWOOD: The auspicious meaning of the Chinese zodiac

The twelve zodiac signs, also known as zodiac signs, originated from animals and primitive totems in nature. It is an ancient chronology method that uses the twelve zodiac signs as patterns, ingeniously conceptualizing and combining them with auspicious elements to present rich meanings

Auspicious jewelry is endowed with many cultural meanings by people.
