## Product Description

### Product Description:

This particular grade of agarwood beads is of the highest quality, earning a Tenth Grade appearance rating. The beads are made from pure agarwood, a highly aromatic resinous wood that is commonly used in incense, perfume, and other fragrances. Agarwood has a long history of use in traditional Chinese medicine, where it is believed to have many healing properties.

Our Vietnamese Yazhuang agarwood beads are carefully selected and crafted to ensure the highest level of quality and fragrance. The sweet nectar milk fragrance of these beads is sure to delight your senses and add a touch of luxury to your daily routine.

Whether you are a collector of fine fragrances or simply looking for a unique and beautiful accessory, our agarwood beads are sure to impress.

So why wait? Add the luxurious fragrance of agarwood to your life today with our premium Vietnamese Yazhuang agarwood beads.
