- Tailored to brand specifications

Applications

- Custom fragrance lines for brands
- Private label oud essential oils
- Formulation for specific market needs
- Custom gift sets and promotional products
- Bespoke blends for niche businesses

Support and Services

- Custom formulation consultation
- OEM/ODM packaging and labeling
- Sample development available
- Flexible order quantities
- Multilingual support for international clients

FAQ

Q1: How does the custom oil service work?

A1: We discuss your scent preferences, concentration needs, and packaging requirements, then develop a custom formula for your approval.

Q2: What is the minimum order for custom oils?

A2: MOQ depends on the complexity of the custom order; please contact us for details.
