- Premium skincare and cosmetics
- Collector-grade kynam blends

### Support and Services

- Bulk supply for luxury brands
- OEM/ODM packaging services
- Custom blending support
- Third-party purity testing
- Fast shipping worldwide

### FAQ

**Q1: How does this compare to traditional distilled kynam oil?**

A1: Supercritical CO<sub>2</sub> extraction preserves more delicate aroma compounds, resulting in a more authentic and balanced scent.

**Q2: Is this oil suitable for skincare?**

A2: Yes, when properly diluted, it can be added to high-end skincare products for its natural fragrance and benefits.
