Product Description

Product Description

Water Distilled Fermented Agarwood Oil 10.5 is a high-intensity Middle East style oud oil, produced via water distillation from fermented agarwood. The 10.5 grade delivers a strong, bold, and long-lasting aroma, ideal for high-end perfumes, religious incense, and premium fragrance blends.

Features

- 10.5 high-intensity grade
- Bold, long-lasting fermented oud fragrance
- Water distilled for maximum purity
- Premium quality for luxury products
- High concentration for minimal usage
- Perfect for strong, statement scents

Applications

- High-end luxury perfumes and attars
- Religious and ceremonial incense
- Premium home fragrance products
- Custom niche fragrance blends
- Collector-grade oud formulations

Support and Services

- Sample testing available for brands
- OEM/ODM packaging for luxury lines
- Private label services
- Third-party testing reports
- Fast shipping for premium orders

FAQ

Q1: Is this oil too strong for daily use?

A1: It is highly concentrated, so it is best used in small amounts for blending or diluted for personal use.

Q2: How long does the scent last?

A2: Due to its high intensity, the fragrance can last all day on skin and even longer in diffusers.
