## Product Description

### Product Description

Water Distilled Fermented Agarwood Oil 10.1 is a premium Middle East style oud oil, produced via ancient water distillation from fermented agarwood. The "10.1" grade refers to its balanced intensity and smooth, warm aroma profile, making it ideal for luxury perfumes and personal care products targeting Middle Eastern consumers.

### Features

- 10.1 balanced intensity grade
- Middle East style fermented oud oil
- Smooth, warm, and approachable aroma
- Water distilled for purity
- Ideal for daily wear perfumes
- Consistent quality for commercial blending

### Applications

- Luxury daily-wear attars and perfumes
- Personal care products (body oils, creams)
- Diffuser blends for home use
- Custom fragrance lines for Gulf markets
- Wholesale to Middle Eastern beauty brands

### Support and Services

- Custom scent adjustment available
- OEM/ODM services for beauty brands
- Bulk and sample orders
- Arabic/English labeling options
- Fast shipping to the Middle East

### FAQ

Q1: What does "10.1" grade mean?

A1: It refers to the balanced intensity and aroma profile, designed for daily use without being overpowering.

Q2: Is this suitable for sensitive skin?

A2: When diluted with a carrier oil, it is safe for most skin types. A patch test is recommended.
